To whom it may concern,

As a former Marine, it is my pleasure to inform you that Sullivan Multi Family Realty and Maine Indoor Karting have partnered with the U.S. Marine Corps to host a fundraiser for the Toys for Tots Foundation on December 12th 2010. Founded in 1947, the Toys for Tots Foundation collects new and unwrapped toys each fall to give as Christmas gifts to needy children in the Greater Portland area. The Toys for Tots Foundation serves over 700 local communities nationwide.

We are looking for corporate sponsors to help us finance this event and raise money for this worthwhile cause. Your donation will be used to pay for the facility to host the event. We need to raise \$5,000 to cover the cost of the *Toys for Tots 400*, beyond which all additional donations will go directly to the Toys for Tots Foundation. 100% of the donations raised by the drivers will go towards purchasing toys for children in need in Greater Portland. Our goal is to raise over \$20,000, and with your help, we can reach this goal. With that in mind, please consider the sponsorship packages listed below.

- **Toys for Tots Kart Signage** - \$150
Get your logo on the Toys for Tots kart alongside our other corporate sponsors.
- **Banner + Toys for Tots Kart Signage** - \$250
A banner for your business alongside the Maine Indoor Karting track for 12 months.
- **Pit Paddle + Banner + Toys for Tots Kart Signage** - \$500
Pit paddles with your logo used to signal drivers to head back into the pit.
- **Full Kart Signage** - \$1,200
Deck out an entire kart with your logo and corporate identity for 12 months.
- **Start / Finish Banner** - \$2,000
Your logo on the large start / finish banner over the Maine Indoor Karting track for an entire year, seen by the 100,000 who race there annually.

Your donations to the Toys for Tots Foundation are 100% tax-deductible. You will be provided a taxpayer ID number for the foundation upon receipt of your donation. We look forward to hearing from you and answering any questions you may have.

Sincerely,
